Older Americans Advisory Board
Minutes – November 6, 2014

Chairperson Carlisle called the meeting to order at 10:00 am with the pledge of allegiance. The minutes of the October 2, 2014 were read and approved with one correction: It was mentioned that the October 2, 2014 meeting did not have a quorum. Guests and program participants were introduced.

Commission David Rice reminded us to get the flu shot and to spread the word to other seniors to get the required vaccinations. He wanted to know if anyone had complaints concerning the Transportation of Monroe County and explained that Medicaid used to offer coordinated medicaid transportation; that is no longer the case. They now offer non-coordinated transportation. He requested that anyone having problems in this area contact him.

Mr. James Wagner, President for chapter #2466, Big Pine Key advised of a serious lack of parking and illustrated how the parking can be increased. They serve about twenty five seniors daily yet they only have seven (7) parking spaces. They are parking at the Baptist Church and the Fire Department. Some are required to find a parking space across the street, thereby, creating an unsafe situation for seniors that have limited mobility. Commission David Rice said he would turn the aerial photo of the property to the proper County employee and have them find a solution. He will get back with Mr. Wagner on this matter.
